BUSINESS BROKERS

# MEET DON TAYLOR

## BUSINESS BROKER & DEAL ADVISOR

With 30+ years of business ownership experience and over a decade as a business broker, I know what it takes to start, grow, and successfully sell small businesses. I've partnered with owners across more than 40 industries—including construction, manufacturing, medical/dental, technology, retail, food & beverage, and service-based companies—bringing a wealth of insight into every transaction. I specialize in selling profitable businesses with annual revenues ranging from \$1 million to \$20 million.

## MY APPROACH

Servant Leadership. I believe in relationship-first, trust-driven business. You'll get straightforward communication, integrity, and hard work—no shortcuts, no surprises.

## SERVICES FOR SELLERS

- **Free Consultation** – We'll discuss your goals, timing, and questions about selling.
- **Market Analysis & Valuation**- We'll review your business and financials alongside market trends to establish a smart pricing strategy you're comfortable with.
- **Confidential Sales** – A discreet, seamless process to protect you and your business.
- **Full Process Management** – I coordinate with buyers, lenders, attorneys, CPAs, advisors, and anyone else needed, so you don't have to.
- **Maximum Results** – My value-driven process generates high-quality buyers and returns.

## ASSISTANCE FOR BUYERS

Acquisition tools and support to help you confidently evaluate and close on the right business.
